June 2020 – April 2021

Narayana High School | 75%

WORK EXPERIENCE

Full Stack Web Developer Intern

June 2025 – August 2025

- Developed responsive full-stack web applications during a 3-month internship at Edu-versity.
- Worked on Result Management System and Smart Todo applications with authentication and API integration.
- Used React.js, Python and Flask library, SQL, and Context API for application development.

PROJECTS

Result Management System

React.js · JavaScript · React Context API · Render

- Designed and implemented Admin and Student dashboards with role-based access control
- Built reusable UI components using React.js and managed global state with Context API
- Added authentication, password management, and seamless mock API integration

Smart Todo Application

· HTML · CSS · JavaScript · Python Flask · SQL · Gunicorn

- Built a Smart Todo application for task creation, tracking, and management.
- Implemented authentication, dark mode, reminders, and productivity features.
- Integrated responsive frontend with backend APIs for seamless functionality.

SKILLS

Python, Java, C Programming, HTML, CSS, JavaScript, React.js, Python Flask (Basics) Library, SQL, Deployment: Render, Netlify
